payment of four annas (Re. 0-4-0) should be addressed to the Executive Engineer, Tumkur Division, in a sealed cover. The name of the work and the full address of the contractor should be written on the cover.

2. Each tender should be accompanied by a treasury chellan for having credited the earnest money under Revenue Deposits. If any tenders are received without treasury challan, it will be rejected. After tenders are disposed off the treasury chellan accompanying the tenders of unsuccessful tenderers, will be returned to him by the Public Works Department with an endorsement signed by the Divisional Officer to the effect that the tender is rejected and the amount of the chellan may be repaid to the party concerned. No dues from the department or drafts or cheques will be accepted.

3. Individual rate should be quoted for each item of work. Tenders on percentage basis will not be valid.

4. For items not provided in the estimate, schedule of rates will be paid, or as per data worked out during the execution of the work.

5. The estimate and plan can be seen by the contractors, during the working days between 11 A.M. and 5 P.M.

6. Rates quoted will hold good till the work is completed. The rates quoted by the contractor will be considered as inclusive of Sales-tax. No separate claims for Sales-tax will be considered. The contractor should furnish Income-tax certificate with the tender or before the execution of agreement at the latest, failing which, the tender will be cancelled and doposit forfeited.

7. No conditional clauses will be accepted.

8. The tenders will be opened by the Executive Engineer, in the presence of such tenderers who wish to be present on 9th November 1953, at the Executive Engineer's Office at Tumkur. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any. If any petitions are received after the tenders are opened, such petitions will not be considered.

9. The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office after the tenders are settled. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental schedule contract form. In case of failure to comply with this condition, the earnest money of this contractor will be forfeited and the tender will be disposed of otherwise.

KRISHNARAJASAGARA DIVISION.

Notification.

Sealed tenders will be received by the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara up to 4 P.M. on 9th November 1953, for constructing a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.

The detailed estimate, plan and specification may be seen at the office of the Executive Engineer on all working days during working hours.

Name of work	Amount of estimate Rs.	Earnest money Rs.	Period for completion of work	Monthly progress Rs.
Construction of a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.	19,500	975	6 months	3,250

1 Each tender shall be accompanied by a challan for Rs. 975 as earnest money paid at any Government Treasury, Mysore, under "S" Remittances—Payments by P.W.D. Officers (Krishnarajasagara Division). No adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

2 Tenders will not be accepted unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 each at the office of the Executive Engineer, Krishnarajasagara.

3 Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

4 The tender need only mention the rates for each item of work of the abstract estimate both in words and in figures at which he is willing to undertake the work.

5 The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

6 The final acceptance of the tender will rest with the Government who are not bound to accept the lowest or any tender or to furnish any reason therefor.

7 The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary mutchalika within a week of the receipt of intimation of the acceptance of his tender, failing which, his earnest money will be forfeited.

8 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall be binding for the execution of the entire work.

9 The rates quoted shall include all taxes, royalties and tolls payable from time to time.

10 Items not provided for in the estimate will be paid for as per minimum schedule of rates or as per actual data worked out, with 10 per cent Contractor's profit if not provided for in the schedule of rates.

11 If the work is not completed and handed over within the specified time, any action suitable will be taken on the defaulting contractor in addition to levy of a fine of Rs. 50 per day after the specified date.

12 The contractor has to make his own arrangements for the transportation of materials and supply of water for construction.

13 All matters of disputes about rates, measurements, quality of work, etc., and in all other disputes of any kind, the decision of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara will be final.

14 The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work.

15 The quantities noted in the abstract are approximate and are subject to variation during execution. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate. The rates quoted should hold good till the work is completed.

16 The income-tax clearance certificate is to be enclosed along with the tender or furnished before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and tender deposit forfeited to Government.

17 Tendered contractors should pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work failing which, this amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

18 There should be no erasures in the tenders in the rates of items and any corrections made in the rates should be attested to.

19 No conditional clause will be accepted.

20 No claim of damages for delays caused by officers of Department in the execution of works will be considered whatever may be the reasons for such delays.

21 The term "Specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than the tendered ones will be paid on any account.

Notification dated 21st October 1953.

1 Sealed quotations duly signed by the contractors will be received in the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, up to 4 P.M. on 23rd November 1953. (Estimate for the entire bridge sanctioned for Rs. 5·18 lakhs.)

2 For each item of work, individual rates may be quoted both in words and figures.

3 The quotations should be given separately for each pier and abutment. Pier numbers are received from the Mirle side, and as Pier No. 1, 2, etc. Abutment on Mirle side is left abutment and on the Chunchankatte side is the right abutment.

4 The piece worker may quote the rate for a single pier or any number of piers as he likes, but separately each pier and abutment.

5 Each quotation should accompany with the treasury chellan for having remitted the earnest money under Revenue Deposit at the rate of Rs. 300 for each pier and Rs. 900 for each abutment limited to a total of Rs. 5,000.

6 For lumpsum provision and for non-tendered items, the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

7 Quotations may be given by the intending piece workers on blank paper.

8 The quotation without chellan for having remitted the required earnest money deposit will be rejected.

9 It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed, and number and date of the same also noted. If it is omitted, the cover will not be opened and rejected as it is.

10 The contractor should quote rates only for the units and nature of work specified in the form. If rates are quoted for alternative works instead of specified nature of work, such tender will be disqualified.

11 The final acceptance of the tenders rests with the Government which is not bound to accept the lowest or to furnish any reason therefor.

12 Estimates and plans will be available for reference in the office of the undersigned, and any other particulars required, on all the working days during office hours.

13 The successful tenderer should bind himself by the departmental rules in force and execute necessary agreement within a week of acceptance of the tender, failing which, the earnest money will be forfeited to Government.

14 Quantities noted in the abstract estimates are only approximate and may be less or more.

15 The rates quoted by the tenderer should hold good till completion of the work irrespective of the fluctuation in rates.

16 The rates quoted should be inclusive of all existing and new taxes payable as per Government Rules.

17 In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

18 Reserve and earnest money deposit will be repaid only at the time of settlement of final bill.

19 The term "specification" mentioned either in the schedule or in the estimate in the notified item would mean specific item of work to be done according to the instructions of the Public Works Department with reference to design, calculation, etc., furnished during execution and no higher rates than tendered ones will be paid.

20 The department does not undertake any responsibility to supply lorries to the contractors.

21 The work should not be sublet.

22 The contractor will have to make his own arrangement for water required for the works, scaffolding materials, conveying material, approach road to quarries. No extra amount will be paid for any of the above items.
